

## PLASMA CHANNELING PACKAGES

Plasma Channeling provides a non-invasive alternative to traditional Microneedling procedures, leveraging the power of peptides and antioxidants to rejuvenate your skin's appearance. The treatment requires no downtime or numbing agents, making it a highly convenient option for individuals looking to refresh their skin. For optimal results, Plasma Channeling is recommended in a series of six treatments on a weekly or bi-weekly basis, with discounts available through special packages.

### **Plasma Channeling BRONZE \$300**

Get ready to experience the skin-firming benefits of Microchanneling, but without the use of needles or the need for numbing! With our Bronze package, you'll receive six Plasma Channeling treatments rich in peptides and antioxidants, to be performed weekly or bi-weekly.

### **Plasma Channeling SILVER \$325**

Plasma Channeling SILVER provides a cutting-edge skin rejuvenation treatment that doesn't require needles or numbing. The package starts with the Plasma Channeling treatment with an enzyme treatment that addresses individual skin issues, peptides, and antioxidants that work together to achieve optimal results, and five additional weekly or bi-weekly treatments with peptides and antioxidants for an even more youthful appearance.

### **Plasma Channeling GOLD \$370**

Plasma Channeling GOLD offers a revolutionary way to rejuvenate your skin without the need for needles or lengthy numbing periods. The package delivers the Plasma Channeling treatment with an enzyme treatment and the renowned AnteAGE MD Growth Factor Serum, which combine to deliver remarkable results. Additionally, you get five more treatments with peptides and antioxidants for an even more youthful complexion.

### **The Plasma Channeling GOLD Plus \$600**

The Plasma Channeling GOLD Plus package builds on the already impressive benefits of the GOLD package with the additional perk of receiving five additional weekly or bi-weekly treatments using the AnteAGE MD Growth Factor Serum. This powerful combination can help you attain a more youthful-looking complexion.

### **Plasma Channeling PLATINUM \$410**

Plasma Channeling PLATINUM is a highly effective package that rejuvenates your skin. It comprises of the revolutionary Plasma Channeling treatment along with an enzyme treatment and AnteAGE MD Exosomes, which result in remarkable outcomes. Moreover, the package includes five additional treatments with peptides and antioxidants, resulting in a more youthful and radiant appearance.

### **Plasma Channeling PLATINUM Plus \$635**

Plasma Channeling PLATINUM Plus is a comprehensive skin care package that features the revolutionary Plasma Channeling treatment along with an enzyme treatment followed with powerful AnteAGE MD Exosomes. This package also includes five weekly or bi-weekly treatments that are powered by AnteAGE MD Growth Factor Serum, offering a complete skin rejuvenation experience that leaves your skin looking youthful and radiant.
